## Notes from Nurse Ashley Henn

We are seeing a lot of upper respiratory issues, coughs, colds, and strep throat. Please remember that students must be fever free for 24-hours without medication before they can return to school. Please talk with your child about the importance of washing their hands to stop the spreading of germs!

### **Extra Clothing Requested!**

Wet/sloppy weather will soon be on its way. **We highly recommend ALL students to bring a full set of clothing (underwear, socks, pants & shirt) to leave at school.** If students fall at recess, they will be able to change into dry clothing. If you have any questions, or concerns—please call or e-mail me. Thanks!
