Fundraiser**

**Friday
September 20th
Sponsored
by the P.T.O.**

State Road 13 in North Webster will be closed between Backwater Road and Esterbrook Drive (Maria's Restaurant) beginning Tuesday 9/3/2019. The bridge is being redone and will be totally closed to traffic. INDOT plans on having the work finished by early November, weather permitting. This means there will be increased traffic on 750 East that runs in front of the elementary. Please note there will be police officers on duty in the mornings and afternoons.
