NWEA Fall Testing Window September 8 to October 2, 2020

NWEA Testing

What is NWEA? You may hear your child or their teachers mention we are starting NWEA. What is it?

NWEA is an online assessment tool that we use to measure academic progress for students in Grades K-8. The computerized tests we use are Reading, Language Usage, and Mathematics. Students in Grades K-2 will take Mathematics and Reading and students in Grades 3-8 will take Mathematics, Reading and Language Arts. Your child's results will be shared with you.

We will divide the K-2 into 30 minute segments and the other grade levels will take about one hour. The assessment is not timed.

The teachers will use the results to keep track of progress and growth of basic skills and to guide classroom instruction.
